Friday 20th November 2020

Home Learning

Children should access their home learning this week on Google Classroom. Please practise your spellings, access Times Table Rock Stars and complete the task for writing and maths. Once you have completed your tasks, you can either hand in your homework through a Google Docs, Forms or you can take a picture of your home learning and upload it.

Please continue to read at home and record this in your reading log. The children have taken their accelerated reader books home and BugClub books have been allocated as eBooks.

Attendance

Attendance this week in Cedar class was 96.80 %
Let us see if we can get a higher % next week!

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.

Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!

If your child is experiencing any symptoms of COVID-19, then please contact the office before bringing them into school. Thank you for your understanding in this matter.

Dear Parents

We are very proud of the children this week! We started the week all dressed as a vegetable in support of the fantastic charity 'Love the One' and we have finished the week thinking as geographers.

Across the curriculum, we have spent our week learning about the conditions which plants need to grow and considering which direction we need to take when we are following the points of a compass. In reading and writing, the children have applied the skill of 'Decode' and 'Choice' to read the words in the text and discuss why the author has made deliberate vocabulary choices and what this conveys to the reader. In maths we have learnt about exchanging and the way in which this will help us to solve our mathematical calculations as we continue to learn about adding and subtracting.

No Pens Day Wednesday is an annual day of spoken language activities which takes place in schools across the country. We are delighted to be taking part this year! We are looking forward to identifying different ways to communicate our new learning with the children, without using a pen or pencil to do so. This will be taking place on Wednesday next week. We will be excited to share our day with you next week!

We would like to thank you for your engagement with the different events that we have enjoyed recently in Cedar Class. Please check the important dates section below to find out what is coming up next week.

We hope you have a lovely weekend. See you on Monday!

Miss. Holt and Mrs. Guntrip

 <p>Star Pupil of the Week</p>	<p style="text-align: center;"><u>Star of the Week</u></p> <p>This week our star of the week is Tom. Tom is our star of the week for developing his independence and taking ownership of his own learning. Well done Tom!</p>
	<p style="text-align: center;"><u>Important Dates</u></p> <p style="text-align: center;">Wednesday and Thursday - Please wear your PE kit. Wednesday - Home Learning and Reading Records to be completed.</p> <p style="text-align: center;">Wednesday 25th November - No Pens Wednesday</p>
