

Children and Family Health Devon's Speech and Language Therapy Service will be continuing the virtual drop in sessions for parents and professionals after a successful pilot project

What?

A virtual drop in for parents of children under 2 and professionals who are concerned about their speech, language and communication development.

This will be delivered via the 'attend anywhere' platform. The Speech and Language Therapist will spend up to 10 minutes listening to the parents'/professional's concerns, asking questions and observing how the child and parent/s communicate and interact.

All families will be given advice and/or ideas to try at home.

For some children, it will be recommended that they are referred to the Speech and Language Therapy service for a more detailed assessment. Professionals with concerns about the SLC development of children under 2 should ensure that the child and family remain anonymous when sharing their concerns via the drop in service

When?

Tuesdays -
2nd February, 2nd March, 30th March, 20th April
9:30am-11:30am

Thursdays -
18th February, 18th March, 8th April
1pm-2:30pm

How?

1. Log onto <https://nhs.vc/tsdft-cfhd-child-speech-lang>
2. Sign in using the code "Drop In"
3. The Therapist will see that you are in the waiting area and will join the video room when they are ready
