

Cedar Weekly Newsletter

Friday 26th February 2021

Dear Parents

I hope that you had a wonderful half term together as a family. The staff here at Dunsford enjoyed stepping away from the screen and spending some time in the outdoors; we hope you did too! It has been a busy week since we have returned to school but what a lovely week of learning we have had together this week. The thought, time and care spent on your learning this week has made us, at school, very proud of the class that we have. The spirited art which the children have completed is not only creative, but inspiring to others too! The children have shown an in-depth understanding of our world and what is important to them. Thank you for the photos you have shared with us. We cannot wait to celebrate the learning even further when we return to class together again very soon.

Alongside this, the children have begun developing a new writing skill and they have developed their understanding of money in maths. I am looking forward to seeing how their knowledge of recognising and counting money will help them with their learning next week as we further immerse ourselves into this mathematical concept. Next week, we have a wider selection of our curriculum to enjoy. This will include geography and science as well as RHE, RE and PE which we started accessing again this week.

Over the next few weeks, we have a selection of exciting events coming up. Details regarding World Book Day will be coming in a separate email to share the exciting activities you will be able to take part in with your children, despite whether they are at home or at school. Next week I will be running two live sessions with the class. One on **Monday at 1:10pm for 15 minutes and one on Friday at 9:30 for 15 minutes**. Mrs Guntrip will also be holding her assembly. Keep a look out for timings!

If your child is in school next week, please can you ensure that you book their school lunches in advance.

I hope you have a brilliant weekend as a family. We are really looking forward to welcoming all of the children back very soon! Thank you, as always, for your patience, support and commitment which you have expressed over this time. We really appreciate everything that you are doing for us and for your children.

Miss Holt

Stars of the Week

Home star of the Week - Our home star of the week is Luke. Luke has shown a great level of creativity and thought with his spirited art this week. Well done Luke!

School star of the Week - Our school star of the week is Henry G. Henry demonstrated our school value of resilience this week as he persevered to complete his model for his spirited arts learning. Well done Henry!

TTRS Champion - Henry H is our champion this week for always trying to increase his perseverance with the time spent practising his times tables. Well done Henry!

Accelerated Reader Champion - Sophie is our reading champion this week for reading 111,000 words last half term. This is a brilliant achievement. Well done Sophie!
