DfE PERFORMANCE TABLES 2018 AND 2019

Monday 1st March 2021

Dear Parents

We now find ourselves in the second half of the spring term and over halfway through this academic year!

We have faced a very different year so far than the one that we were both hoping for or expecting and it is now time to reflect on, and celebrate, the academic year so far and to discuss successes and next steps.

As promised in my previous letter, I wanted to take the time to inform you about Parent's Evening which is taking place on both **Monday 15th March and Wednesday 17th March** and how these sessions will be conducted. Unfortunately, due to ongoing government restrictions, we are still not able to conduct face-to-face appointments. However, we highly value the importance of parent consultations, timely feedback and the ongoing communication regarding your child's progress. We will therefore be hosting these sessions virtually for the second time this year. We are hoping that, having already completed this process earlier in the year, that these sessions will run much more smoothly and that there will be reduced technical issues.

Your child's class teacher will be using Google Classroom once again to hold virtual meetings with both you and your child(ren). As always, I would like to reassure you that we will do all that we can to ensure that you have a positive experience despite the format looking different.

You will soon be able to book a **10 minute appointment** with the class teacher through Eduspot booking system. If you experience any difficulties using this system then please speak to Mrs. Sinton in the school office and she will be happy to support you. You can contact her via the school email account dunsford@lapsw.org

Once you have been allocated an appointment time, you will be able to access the meeting via the meet link that will appear in Google Classroom. You will need to log into Google Classroom with your **child's login details** to access this link. To ensure confidentiality for all pupils and parents, please **do not click the link to join the meeting until your allocated time**. The class teacher leading the meeting will allow you into the meeting so please do not worry if you are 'waiting' to be permitted to join. We hope that you understand that this is to ensure the privacy of all and also so that you are able to make the most of your appointment time in a safe and secure way. All parents of children in Reception - Year 6 will access appointments using this system.

TOGETHER WE EMPOWER EXCELLENCE

If your child is in Nursery, your appointment will be held on Google hangout. Please can you book via Eduspot also. You will then be sent a link for this appointment. If you are unable to attend a virtual appointment on the days specified, please can you speak to the class teacher (or email the school admin account) and they will be more than happy to support you in organising an alternative appointment. If for any reason you will not be able to attend the appointment due to internet problems (and you would prefer a phone call) please can you also communicate with the class teacher regarding this.

We are very much looking forward to these sessions and having the opportunity to celebrate the year so far with you.

Kind regards,

Mrs. Guntrip

Mrs Guntrip
Head of Academy
