DfE PERFORMANCE TABLES 2018 AND 2019

Dear Parents and Carers,

Following the allocation of primary school places, we are delighted to welcome you and your child to the Learning Academy Partnership family of schools and to Dunsford Community Academy.

We are very much looking forward to working in partnership with you and welcoming your child to our family of academies. I have attached a welcome letter from our CEO with further details of the induction process for your child.

You can find further information about the Trust on our website <https://www.lapsw.co.uk/>

We value the unique insight that parents can provide into their children's learning and we acknowledge that learning begins and continues in the home environment.

Our communication with you and your child over the coming months is very important to us to ensure that we can build a relationship that will support your child's transition into school. Please be assured that this remains our priority even with the current Covid-19 pandemic and any restrictions that may or may not continue.

We would encourage you to visit our website [Home - Dunsford Community Academy \(dunsford-lap.co.uk\)](https://www.dunsford-lap.co.uk/) and our school Twitter and Facebook Pages to get a feel for our school. Please share with your child the photographs so that they can begin to get excited about joining our school community!

There is a [Reception 2021 - Dunsford Community Academy \(dunsford-lap.co.uk\)](https://www.dunsford-lap.co.uk/) page where you will be able to access ideas and ways to support at home to prepare your child for starting school.

We will be in touch to collect information so that we can register your child and please do not hesitate to contact us if you need any support with this. In the meantime, please also read the accompanying letter from our CEO and return the attached slip with completed initial information so that we can begin to get to know you and your child.
