

PE & SPORTS GRANT INFORMATION 2020/2021

PE & Sports Grant Information	
Academy	Dunsford Community Academy
PE & Sports Grant Allocation September 2020– July 2021	£16, 600

Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT	OUTCOME OF FUNDING
Life Education Workshops 28th January 2020	£355	£355	<p>Foundation Stage and Key Stage 1 (Nursery to Year 2) they learn about keeping their bodies healthy, feelings, being a good friend and the safe use of medicines.</p> <p>At Key Stage 2 (Years 3 to 6) the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including medicines, alcohol and tobacco. In addition, children learn about choices that can affect health</p>	<p>Children have built upon prior learning and can talk confidently about the importance of healthy eating, fitness and wellbeing. Children understand the importance of healthy life styles and the impact it has on their long term health.</p> <p>They are able to make more informed choices about healthy eating, fitness and their emotional well-being. The children engaged with their virtual Life Education session</p>

			<p>and well-being, skills of friendship and how to cope with bullying and peer pressure.</p> <p>Annual Life Education visits in classrooms will enable children to be better equipped to make healthier lifestyle choices.</p> <p>Teachers have access to specialised PHSE planning through the SCARF programme that is provided by Life Education.</p>	<p>and were able to discuss the key learning from the session. The children understand the importance of mental wellbeing. They were able to discuss the benefits of mindfulness and perform some mindfulness activities.</p> <p>Teachers continue to have access to SCARF resources that support them in planning and delivery and CPD support.</p>
Using local PE support offer from The Spires College	£5054.40	£5054.40	<p>To develop the quality of existing PE teaching through continuing professional learning in PE for staff, so that all primary pupils improve their health, skills and physical literacy, and have a broader exposure to a range of sports. Promotion of healthy lifestyles through eating, keeping safe and physical fitness and raising of self-esteem.</p> <p>To assist schools, parents and children in understanding and valuing the benefits of high quality PE and sport, including its use as a tool for whole school improvement.</p> <p>Support from sports leaders in school and events such as Sports Day.</p> <p>Increased opportunities for talent spotting across a range</p>	<p>All teachers have received quality CPD through trained experts providing excellent PE sessions and planning. Teacher feedback reflected the high quality of PE on offer for the children. Teachers feel empowered to continue delivering high quality PE sessions through an engaging and inspiring PE curriculum. Virtual school competitions held by Spires in which all children in the year group participate regardless of prior experience.</p> <p>Teachers have been supported throughout Lockdown to adjust PE sessions to the new government measures, focussing on physical activity and pupil well-being.</p> <p>Running the after school clubs has broken down the barriers</p>

			<p>of sports, raising expectations of the children.</p> <p>Spires coaches providing one full afternoon of PE per week, plus an additional after school club. Clubs, which are free to parents, providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers.</p> <p>Teachers have access to external CPD sessions to ensure they have the knowledge and skills to deliver high quality CPD back in school and to support teachers in their delivery of PE lessons.</p>	<p>for families unable to afford for their child to attend; this had a positive impact on both the physical and social development of our pupils.</p>
<p>Premier Education Archery lunch club sports provision</p> <p>1x weekly sessions 6 sessions held over 5 half terms</p> <p>To work in Partnership Premier Education to deliver after school and lunch PE sports club provision</p> <p>1x weekly after school sessions held over 2.5 terms</p>	£2601	£2601	<p>To develop the quality of lunchtime physical provision and opportunities.</p> <p>Pupils have the opportunity to develop a sports skill in a specific area that links to the context in which they live.</p> <p>Children have the opportunity to develop focus skills in a solo sport. This provision offers children the opportunity to continue to develop their fitness and skills as part of the school day and to take part in a sport that is an alternative to a team sport.</p> <p>Clubs, which are free to parents, providing children with opportunities to excel in</p>	<p>Supported by experts providing quality delivery of PE through extracurricular activities has continued to be of a high standard.</p> <p>The impact of which was a broad and balanced curriculum that met the needs of all children. Children have been motivated to participate in extracurricular activities and developed interests in sports and activity.</p> <p>Running the clubs free of charge continued to enable all children to attend. This has had a positive impact on both the physical and social development of our pupils.</p>

			<p>different sports and providing PP children with the same opportunities as their peers.</p> <p>To improve participation in intra and inter school sports. Pupils receive regular rugby and archery coaching and skills to improve their confidence and their physical and mental wellbeing. To improve pupils' knowledge and understanding of how to live a healthy and active life, this may benefit their mental and holistic health. High quality after school club provided by an experienced coach. Clubs, which are free to parents, providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers. To increase opportunities to engage in cross school sporting activities of a competitive nature through offering coaching in a specific sports area that is also a local sport to the context of the area.</p>	<p>This has given our children a sense of belonging and improved their self-confidence. Transferring new skills into PE lessons, the children have demonstrated increased confidence, engagement and ability. Quality PE lessons have helped support the children to improve their wellbeing and fitness after national lockdowns.</p>
Additional before school clubs, after school clubs and lunch clubs	£2500	£2500	Further develop opportunities for children in Reception-Year 2 to engage in sports outside of school time.	A range of clubs were offered which included sports and physical activity that children may not be able to engage in within the local area. Increased

			<p>A range of clubs to be offered which will include sports and physical activity that children may not be able to engage in within the local area. Increased opportunities for PE/Sport both after school and at lunchtime will give increased opportunities for children to develop their health and fitness and mental health and wellbeing. Clubs, which are free to parents, providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers.</p> <p>Children will be provided with opportunities to develop their skills from an early age which will, in turn, allow them to continue to develop their fluency in this area as they progress through school.</p>	<p>opportunities for PE/Sport both after school and at lunchtime gave increased opportunities for children to develop their health and fitness and mental health and wellbeing.</p>
<p>Forest School 'find Your Wild'</p> <p>5 half term sessions 1x day a week</p>	£6000	£6000	<p>To have the opportunity to access, enjoy and learn from the natural environment of the academy grounds led by a trained forest school leader. Inclusive, adapted sessions to enable all children to participate. Increased opportunities for children to develop context specific outdoor skills to enable them to fully access the area in which</p>	<p>All children have had the opportunity to engage with Forest School sessions throughout this academic year and they have developed skills that have increased their level of physical and mental wellbeing. Teaching staff have received high quality CPD from trained practitioners as part of Find Your Wild. Sessions have increased post partial school</p>

			<p>they live and grow. Promotion of a healthy, active lifestyle and the opportunity to nurture mental wellbeing by being outside in the natural environment of the school grounds. To develop skills of collaborative working within a variety of contexts. To develop skills and knowledge within the wider curriculum, making meaningful links to curriculum areas covered within the classroom.</p>	<p>closures to ensure that all children have had equal opportunity to engage in this curriculum offer, promoting a healthy, active lifestyle and the opportunity to nurture mental wellbeing by being outside in the natural environment of the school grounds. These sessions have ensured that all children, irrespective of need, have been able to actively participate and develop a range of skills when working outdoors.</p>
Equipment	£300	£89.60	<p>New Playtime resources for each bubble to ensure that children are able to be active safely during the Covid period. To leave a lasting legacy for PE.</p> <p>To continue to improve pupil's confidence and their physical and emotional wellbeing. To learn new skills and knowledge, which build upon prior learning. To continue to enable children to access high quality equipment and resources to facilitate their learning.</p>	<p>Due to partial school closures and the Sports Premium being carried forward into 2021/22, this equipment will be purchased next academic year.</p>
TOTAL	£16,810.40	£16,600
