Dear Parents

We have had another great week in Oak class. We have worked incredibly hard using our prior learning to complete our assessments and have enjoyed new units of work in History, Science and RE.

In English we have begun to look at the structure of a sentence and have learnt about a variety of sentence types. In Maths we have continued our work on place value by looking at how we can order and compare numbers up to one million.

We enjoyed our PE lesson this week with Mr Kirk and have started developing the skills that we need for invasion games. In History we have started our unit of work on Vikings. We found out where they came from and where they travelled to in Britain. We were able to link some of our Viking facts to our class book that we are really enjoying!

Thank you for your support. Have a lovely weekend!

Star of the Week

Our star of the week this week is Aisla who has been so involved in all class discussions in all lessons. She always has a great contribution and is able to articulate her thoughts well.

Kindness award

Our award goes to Betty who is a great member of the class and is kind and considerate to everyone all the time.

Reader

Our star reader is Tamar who has had some great ideas for future class books that we can enjoy together.

Number Work Award

This award goes to Sophie who has really persevered with her Maths learning this week and really impressed me with her resilience.

Important Dates

PE will be on **Tuesday and Thursday.**

Please remember to send your child in with a coat now that the weather is so changeable.
