

Oak Weekly Newsletter

Friday 24th September 2021

Home Learning

Reading their own books or their school books **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

Attendance

Attendance this week in Oak Class was 100%.

If your child is experiencing any symptoms of COVID-19, then please contact the office before bringing them into school. Thank you for your understanding in this matter.

Dear Parents

We have had a good week in Oak class, full of great learning with lots of opportunities to discuss our thoughts and ideas. We have settled into our new routines and are becoming immersed in our new units of work.

In English we have developed our learning of sentence types and have begun to apply this in our writing. We have really enjoyed exploring a story called Weslandia and have written postcards from the main character's perspective using our writing skills. In Maths we have been rounding numbers up to ten million and looking at how to apply this skill to reasoning problems. We have also worked with negative numbers, investigating how to add and subtract using them.

As Historians we have developed our understanding between the Romans leaving Britain and the Vikings arriving and what led to both events. In Science we planned and carried out an experiment to explore air resistance using paper spinners. In our planning we ensured that we made it a fair test and made predictions as to what we thought would happen.

In RHE we have been exploring respect, looking at what respect means to us as individuals and what it looks like in practice. We have discussed how we can show respect to each other in the class and also how we can show respect to people in the wider community.

Have a lovely weekend!

Mrs Wood

Star of the Week

Our star of the week this week is Isla for showing the school values in her learning - Isla has been resilient in her learning, asking for help when needed. She has taken responsibility in her learning, making sure she has the equipment she needs for each lesson and she has shown respect towards everyone in the class.

Kindness Award

Our award goes to William G who has been a great member of Oak class, showing respect to everyone and being a great friend to everyone.

	<p><u>Reader Award</u> Our star reader is Milo for working hard in whole class reading. He has shown excellent retrieval skills both in class discussions and also in his written work.</p> <p><u>Number Work Award</u> This award goes to Sofia who was really helpful to her maths partner during partner work - explaining how she got the answer and talking them through the procedure step by step.</p>
	<p style="text-align: center;"><u>Important Dates</u> PE will be on Tuesday and Thursday. Please remember to send your child in with a coat now that the weather is so changeable.</p>
