

Dunsford Community Academy is a school community where our vision of 'Together We Learn, Together We Grow, Together We Bloom' underpins the curriculum that we provide for all of our children. We are strengthened and supported by being part of a wider community, the **Learning Academy Partnership**. As a Multi Academy Trust, we are a family of exceptional academies across Devon and Torbay who work together for the good of all our children and communities.

We believe in providing our children with a broad, rich and engaging curriculum which enables them to both gain and develop knowledge and skills, developing them as learners and preparing them for the next stage of their education and personal journeys. We work to ensure that all children are nurtured as individuals and that they have the opportunity to dream and aspire to be the best that they can be.

As part of our ethos and vision, we believe that it is important to work in partnership with our families so that all of our community has the opportunity to bloom and working together as a whole community is something which we highly value.

If you are considering becoming a member of our school family, please contact the office who will be able to make an appointment for you to see our school, our wonderful on-site facilities and meet the team.

Yours sincerely
