

# Oak Weekly Newsletter

Friday 11<sup>th</sup> February 2022

## Home Learning

Reading their own books or their school books **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

Adding and subtracting fractions sheet.

## Attendance

Attendance this week in Oak Class was 80%.

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Oak class every week and we know that we can do this!

## Dear Parents

We have worked hard in Oak class this week with lots of learning in our wider curriculum lessons. We have also enjoyed the milder weather in our Forest School and PE lessons.

Our year 6 booster sessions have really been helping develop fluency and accuracy in our maths work. These will continue after the half-term break; a letter will be sent with details before the end of term.

In English we have continued with our sentence stacking lessons, using our writing skills to produce amazing sentences for our persuasive speeches. In maths we have continued our developing our understanding of fractions, learning how to multiply them with a whole number and how to multiply them with a fraction.

As scientists this week we have enjoyed a practical lesson where we dissected flowers to locate, identify and name the different reproductive parts. We then stuck them into our science books with a description of their role in reproduction.

Have a lovely weekend.  
Mrs Wood

  
Star Pupil of the Week

## Sophie

Sophie is the star of the week in Oak class because of her effort in all her lessons this week. She has shown the school value of resilience by asking for help when she has needed it, listening carefully to explanations and applying it to her work. Well done Sophie!

PE is on **Tuesday and Thursday.**  
**Forest School** on Wednesday.  
Parent consultations **14<sup>th</sup> and 16<sup>th</sup> March**  
**Last day of term Thursday 17<sup>th</sup> February**
