

# Cedar Weekly Newsletter

Friday 4<sup>th</sup> March 2022

## Home Learning

Please read at home with your child this week. When you read with your child, **please remember to record the name of the book and the date in your child's reading record.**

Please find your home learning task for this week on Google Classroom.

## Attendance

Attendance this week in Cedar class was 95.71%. Well done!

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.

Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!

Dear Parents,

We have had a wonderful first week back following half term. We started the week with lots of excitement as the children spent time together again and shared their half term adventures. Following this, we had a very wet Forest School session building digging channels for the water to run through!

In Writing, we have started a new narrative piece of writing which is based on a short Disney Pixar Movie. In Maths, we have been exploring using money, with a focus on how we can use different coins and notes to make different amounts of money. Across the wider curriculum, the children made their cereal bar designs come to life. I wonder if they can tell you what they included?

On Thursday, we had a brilliant time celebrating World Book Day. We had a range of characters and cosy clothes along with our favourite teddy and a book. We really enjoyed sharing stories with our friends at Dunsford and All Saints Marsh. I would also like to thank you for joining us in the classroom this week. It was wonderful to be able to welcome you into school to share stories with us.

I hope you have a great weekend.

Miss Holt

This week our star of the week is Arthur M. Arthur is our star of the week for the resilience he has shown at school and the thoughtfulness he has shown towards his friends when we have been exploring unfamiliar, sensitive topics in our assemblies focusing on the news.

PE – Tuesday and Friday  
Forest School - Wednesday  
Reading records in - Friday  
Homework due – Friday
