

# Cedar Weekly Newsletter

## Friday 25<sup>th</sup> March 2022

### Home Learning

Please read at home with your child this week. When you read with your child, **please remember to record the name of the book and the date in your child's reading record.**

Please practise the Easter songs at home this week.

### Attendance

Attendance this week in Cedar class was 93.57%

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.

Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!

Dear Parents,

We have had a wonderful week of learning in the sunshine this week. The children have enjoyed completing some of their learning outside, and they enjoyed being out in the forest for Forest School making dream catchers.

In Writing, we have planned our own ending to The Red Umbrella, thinking carefully about how we can include the writing skills we have been learning. In Maths, we have been exploring length this week, comparing the length of different objects in Year 2 and finding the perimeter of a shape in Year 3 and 4. Across the wider curriculum, the children have learnt about Mount Etna in Geography, considering the impact of the volcano on the people who live in the surrounding area.

Finally, we have finished our week showing our support for Ukraine dressing up in yellow and blue. We are really proud of the children for raising awareness and fundraising this week by walking, running and cycling. We can't wait to hear how many miles you cover over the weekend!

Miss Holt

This week our star of the week is Jake. Jake is our star of the week for his perseverance with his writing. Jake has worked really hard to build his stamina and expand his vocabulary. Well done Jake!

PE – Tuesday and Friday  
Forest School - Wednesday  
Reading records in - Friday  
Homework due – Friday
