<p style="text-align: center;"><u>Home Learning</u></p> <p>Please read at home with your child this week. When you read with your child, please remember to record the name of the book and the date in your child's reading record.</p> <p>Please find your home learning task for this week on Google Classroom.</p> <p style="text-align: center;"><u>Attendance</u></p> <p>Attendance this week in Cedar class was 97.86%. Well done!</p> <p>Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.</p> <p>Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!</p>	<p>Dear Parents,</p> <p>The children have been very busy this week. They have really enjoyed experimenting with clay out at Forest School and making observations of different sculptures in Art as an introduction to our new learning. Despite the rain, we have had lots of fun playing with our friends at play time and lunch time out on the playground and the field this week.</p> <p>In Writing, we have continued our sentence stacking for our narrative writing based on our short Disney Pixar Movie. The children are so excited to watch the next part of the clip which I will reveal next week! In Maths, we have been adding and subtracting money which has helped us to find change from an amount of money.</p> <p>Across the wider curriculum, the children were very excited to start their new learning in Geography using a boiled egg to represent the layers of the Earth. Finally, the children welcomed a visitor to talk to them about Parliament. Our visitor was very impressed with their questioning!</p> <p>I hope you have a great weekend.</p> <p>Miss Holt</p> <div style="display: flex; justify-content: center; gap: 20px;">   </div>
