

18<sup>th</sup> March 2022

Dear Parents,

What a busy week we had this week! Thank you to everyone for supporting our fundraising today – we loved all the crazy hair styles and all the yummy cakes! We will let you know next week how much money we raised for Comic Relief - all your donations will help many people, so thank you!

As well as fundraising, we also had a visit from the Coram Life Education & SCARF. Helen led the fun and interactive workshops across the whole school to help children understand the importance of physical and emotional health.

### **Easter at Dunsford**

This year, we will start celebrating Easter with Reverend Eleonor holding assemblies across the school on Monday 4<sup>th</sup> April. Children have been practising some songs with Mr Blurton already and each class will be writing Easter prayers.

We would also like the children to start making Easter bonnets as we are holding a short show on Thursday 7<sup>th</sup> April on the school playground, and we would like to invite all the parents to this. Children will perform the songs that they have been practising with Mr Blurton and do a parade where you can see all their Easter bonnets. I cannot wait to see their creations! The show will start at 9:15 am and should only last for approximately half an hour so please feel free to wait in the playground after dropping off your children.

### **Engineering After School Club**

I would like to give you an update on the provision of after school clubs. We were hoping to offer an engineering club on Mondays, however the STEMKids do not have any presenters in our area. They suggested that we source an inspiring person from our community who would be happy to run the club. They would be equipped and employed by STEMKids. If you know of someone or would like to lead this club, please get in touch with us.

# FLOURISHING FUTURES

Finally, I would like to remind you that next week we are holding a fundraiser for Ukraine. We are asking all the staff and families to run or walk as much as they can to achieve our target of 440 miles in one week. I am sure we can do this! We are also holding a cake sale on Friday 25<sup>th</sup> March and Mrs Sinton will be selling blue and yellow pins. Children are invited to wear something yellow and blue to school on this day too. All the proceeds will go to the British Red Cross and you can donate following this link [JustGiving](#) or bring any donations to the office.

Once again, thank you all for your continuous support and I hope that you will all have a lovely and sunny weekend.

Sincerely

A handwritten signature in black ink that reads "J. Stephens".

Mrs Stephens

Executive Head of Newton and Teign Hub
