

Maples Weekly Newsletter

Friday 4th March 2022

Home Learning

Please listen and enjoy this week's story with your children, which I have uploaded to Taperstry.

This week's story is 'What The Ladybird Heard' by Julia Donaldson.

Dear Parents

What a busy week it has been in Maples! It was wonderful to welcome parents for World Book Day to share stories with their children and for parents to have the opportunity to spend some quality time with their children in our Nursery environment. We are very much looking forward to opening our classrooms up again soon for you to visit.

We have been focusing on the story 'What The Ladybird Heard' by Julia Donaldson and re-enacting the story using props to help us retell the story.

In maths we are continuing to confidently recite and recognise numbers 1-5.

Please can we remind you to provide spare clothes for our Forest School session. The weather rarely prevents us from venturing out, so a change of clothes is always a great idea to ensure that your child remains warm and comfortable throughout the day.

As always, we would like to thank you all for your continued support and to say what a pleasure it is to teach your children.

We hope you all have a wonderful family weekend together.

Miss Farress, Mrs Gray, Mrs Wilson

This week our star of the week is Grace G for starting Maples so confidently and engaging with her Maple friends and sharing her learning with them and adults.

Well don Grace what an amazing start to Maples!
