

# Cedar Weekly Newsletter

## Friday 29<sup>th</sup> April 2022

<p style="text-align: center;"><b><u>Home Learning</u></b></p> <p>Please continue to read with your child at home. When you read with your child, <b>please remember to record the name of the book and the date in your child's reading record.</b></p> <p>We have spent time at school this week learning to tell the time. Please can you practise this at home this weekend before we answer some further questions in school on Tuesday.</p> <p style="text-align: center;"><b><u>Attendance</u></b></p> <p>Attendance this week in Cedar class was 96%</p> <p>Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.</p> <p>Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!</p>	<p>Dear Parents,</p> <p>The children have had a great week back at school. I feel really proud of the children this week who stayed at school learning, showing the new adults how wonderful they are, as well as the children who went on their residential adventure.</p> <p>The children have spent time learning to tell the time this week in maths. They have been practising o'clock, quarter past, half past and quarter to as well as learning how to tell the time to the nearest 5 minutes. Please continue this learning at home reinforcing the duration of time between two events and telling the time at different points throughout the day. In Writing, we have spent time consolidating our learning about Earthquakes and Volcanoes from before Easter in preparation for writing non-chronological reports this half term. During our reading lessons, we have been reading with our partner and our favourite session was out on the field today! We love reading outside.</p> <p>The Year 4 children who attended the residential had a wonderful time, building their independence and confidence in a variety of ways. The children enjoyed a range of activities, including the giant swing, canoeing, archery, sensory trail and climbing. All of the children stepped out of their comfort zone and thoroughly enjoyed themselves. We will share some photos of their adventure with you next week!</p> <p>Finally, I would like to take this opportunity to remind you to send a water bottle and a coat or sun cream weather dependent over this half term.</p> <p>I hope you have a wonderful weekend.</p> <p>Miss Holt</p>
<p style="text-align: center;"> <b>Star Pupil of the Week</b></p>	<p>This week our stars of the week are the children who attended the residential for their bravery when stepping outside of their comfort zone. We are so proud of you!</p>
<p style="text-align: center;"></p>	<p>PE – Tuesday and Friday Forest School - Wednesday Reading records in - Friday</p>
