## HOME LEARNING

**Enjoy sharing your Nursery books and tell us what you thought of your stories!**

**Bring back your books with your journal and we can choose a new book for you to enjoy at home.**

**Can you find any seeds or pips in your fruit or vegetables? Do they have big seeds or little seeds?**

Dear Parents,

We hope you had a restful Easter break and enjoyed the fantastic weather we had. Miss Farress managed to get out and about, walking with her dogs, discovering some interesting places where she lives.

This week the children have enjoyed being back with their friends catching up with each other. It has been lovely listening to all the exciting things they have been up to at Easter.

This term we will be looking at plants and how and what they need to grow. We discovered that the apples we eat at snack time had pips or seeds in them, so we decided to plant them to see if they will grow.

Together, we have been talking about the Queen, the Queen's Jubilee and what it means. Also, we have been reading some stories with the Queen in them, which we have enjoyed. The children have also decided it would be fantastic if we could turn our home corner into Buckingham Palace or a castle so we can have tea with the Queen and her Corgis.

Have a lovely bank holiday weekend!

Miss Farress and Miss Joyce

  
**Star Pupil of the Week**

## Star of the Week

This week Star of the week goes to Grace G for coming back to Nursery with such a positive attitude. Grace is exploring her environment and becoming more independent with her learning.
