

Oak Weekly Newsletter

Friday 29th April 2022

Home Learning

Reading their own books or their schoolbooks **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

Maths homework on sheets.

Attendance

Attendance this week in Oak Class was 100%.

Attendance is so important to us at Dunsford Community Academy, and we really value and appreciate your support with this. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Oak class every week and we know that we can do this!

Dear Parents

It has been lovely to see the children back at school, refreshed from their Easter break and ready to learn. We have enjoyed being back together as a class and have made the most of the wonderful sunshine in our amazing environment. We have begun new units of learning in our lessons and spent time outside for PE and Forest School.

In our writing lessons we have begun a new unit 'writing to entertain' exploring the techniques needed to write a narrative. We are using the novel 'A Monster Calls' by Patrick Ness to help us craft sentences in our sentence stacking lessons. We have created some amazing sentences that are proudly displayed on our writing working wall. In maths we have been exploring statistics by looking at how to read and analyse data that is presented in different tables.

In science we have begun our new unit of learning all about 'materials.' We have begun this by learning about the properties of some materials and exploring how we can compare and group them.

We have one more week before the year 6 children sit their end of key stage 2 SATS. They have worked so hard and are ready to sit these assessments. For children to be able to do this, it is important that they are in school every day during this week. There will be a letter with further information about the SATS week to follow.

Have a lovely bank holiday weekend!
Mrs Wood

Tamar

Tamar is our star of the week for being an amazing role model for Oak class and the whole school. She consistently demonstrates all the school values in her learning and in her behaviour. Well done Tamar!

PE is on **Tuesday and Thursday.**
Forest School on Wednesday.
Bikeability (Y5) – **Tuesday & Wednesday.**

Learning Academy Partnership (South West)
'FLOURISHING FUTURES'
