

Cedar Weekly Newsletter

Friday 13th May 2022

<p style="text-align: center;"><u>Home Learning</u></p> <p>Please continue to read with your child at home. When you read with your child, please remember to record the name of the book and the date in your child's reading record.</p> <p>Please find your child's home learning activity on Google Classroom this week.</p> <p style="text-align: center;"><u>Attendance</u></p> <p>Attendance this week in Cedar class was 98%.</p> <p>Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.</p> <p>Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!</p>	<p>Dear Parents,</p> <p>The children have been really enthusiastic learners this week, especially when they were out at Forest School. They have really enjoyed exploring new aspects of Science and making connections between their Science learning and their Forest School session. Previously, the children made a plan of where they thought the trees would be best planted around the school, and this week they worked as a team to plant them. How exciting!</p> <p>In Whole Class Reading this week the children have been reading their text and practising how to summarise a piece of information. In Writing we have continued sentence stacking for our non-chronological report about Earthquakes. In Maths the children have been learning about statistics, drawing and interpreting data.</p> <p>You may have noticed lots of new books coming home and popping up around the school. As you know, we have worked hard to develop a culture that embeds a love of reading and our new books have been a wonderful way to celebrate this. The children have really enjoyed reading them this week and they have found it really tricky to choose which book they would like to read first! In school we have been using our new books to practise our storyteller voices. I wonder if the children can show you their storyteller voice this weekend?</p> <p>I hope you have a wonderful weekend.</p> <p>Miss Holt</p> <div style="display: flex; justify-content: space-around;">   </div>
 <p style="text-align: center;">Star Pupil of the Week</p>	<p>This week our star of the week is Henry. Henry is working really hard on his times tables and I am really proud of his progress! Well done Henry.</p>
	<p style="text-align: center;">PE – Tuesday and Friday Forest School – Wednesday Zoo Trip – Thursday Reading records in – Friday Homework due – Friday</p>
