

Cedar Weekly Newsletter

Friday 27th May 2022

Home Learning

Please continue to read with your child at home. When you read with your child, **please remember to record the name of the book and the date in your child's reading record.**

Attendance

Attendance this week in Cedar class was 100%.

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.

Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!

Dear Parents,

We have had a wonderful final week of the half term. The children have really enjoyed learning about the Queen's Jubilee and celebrating with their families and friends on the field.

In Whole Class Reading this week the children have been working on their inferencing skills, finding clues in the text to help them answer their questions. In Writing we have completed our recounts of our trip to the zoo, considering our favourite memories of the trip along the way! In Maths the children have been learning about how to calculate the mass, capacity and temperature solving some tricky problems.

Across the wider curriculum, the children have really enjoyed learning about the Ancient Greeks and the legacy the Ancient Greeks have left. We have had some really interesting discussions and reflections on the impact on our lives today.

I hope you have a wonderful break together as a family. See you after half term!

Miss Holt

This week our stars of the week are the Year 2 children for their wonderful handwriting and presentation in Writing this week. Great work Year 2!

After half term:

CAP workshops- Monday - Wednesday
PE – Tuesday and Friday
Forest School – Wednesday
Reading records in – Friday

Learning Academy Partnership (South West)
'FLOURISHING FUTURES'
