HOME LEARNING

Enjoy sharing your Nursery books and tell us what you thought of your stories!

Dear Parents,

This week we have continued to think about the Queen and discovered some special places the Queen visits (London Eye, The London Underground and Big Ben), chasing her hat, in the story 'The Queens Hat'. We have been serving afternoon teas, reading stories in our castle role play area.

The lovely weather this week has allowed the children to use the outside learning environment to paint pictures using watercolours. We have also continued to care for our vegetable garden. Our apple seeds and nasturtiums are starting to grow, sprouting little shoots. We have been looking and learning about the life cycles of plants and what they need to grow healthy.

Hope you have wonderful weekend!

Miss Farress and Miss Joyce

Star Pupil of the Week

Star of the Week

This week Star of the week goes to Jasper for engaging and challenging his own learning. Jasper confidently explores different activities and will use them to challenge his own learning. He likes to talk about and share his ideas with his friends and adults.

Well done Jasper !
