

Oak Weekly Newsletter

Friday 13th May 2022

Home Learning

Reading their own books or their schoolbooks **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

Attendance

Attendance this week in Oak Class was 100%.

Attendance is so important to us at Dunsford Community Academy, and we really value and appreciate your support with this. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Oak class every week and we know that we can do this!

Dear Parents

What a busy week it has been! Well done to all of the Year 6 children who put so much effort into their end of Key Stage 2 SATS this week. Every single child has worked incredibly hard through the entire week. I am so proud of each and every one of them. They thoroughly deserved their cream tea on Friday afternoon!

In the afternoons this week, the children have been taking part in their DT lessons. This half term's unit of learning is about designing and building an electronic game. The children have researched children's games and toys, thought about function and form and designed and built their own 'steady hand' game. The children were able to bring in their learning from science in order to create an electric circuit with a buzzer.

The children have enjoyed the lovely weather this week by spending lots of time in the outside spaces. They have enjoyed den building in Forest School, athletics in PE and shared reading on the field with their friends across the school.

You may have noticed lots of new books coming home and popping up around the school. As you know we have worked hard to develop a culture that embeds a love of reading and our new books have been a wonderful way to celebrate this. The children are very excited about the new books and have enjoyed beginning to discover new characters and places. Have a wonderful weekend!

Mrs Wood

Star Pupil of the Week

Year 6

For all your effort this week. You should be proud of yourselves!

PE is on **Tuesday and Friday.**
Forest School on Wednesday.
Paignton Zoo – **Thursday.**
