

# Oak Weekly Newsletter

## Friday 20<sup>th</sup> May 2022

### Home Learning

Reading their own books or their schoolbooks **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

### Attendance

Attendance this week in Oak Class was 88%.

Attendance is so important to us at Dunsford Community Academy, and we really value and appreciate your support with this. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Oak class every week and we know that we can do this!

### Dear Parents

It has been another busy week in Oak class with lots of new learning and opportunities for creativity. The children loved getting out of the classroom and joining the rest of the school on their first school trip in a long time! The zoo visit was enjoyed by all the children, and they all had their favourite animal. As well as seeing lots of different animals, the children had an educational talk with one of the zoo experts. They learnt about the animals who live in the Savannah and the adaptations they have made in order to survive.

In writing the children have been using the skills that they have been developing throughout their current unit of learning to create their own narrative based on 'A Monster Calls' by Patrick Ness. The children have really enjoyed this piece of writing and have created some amazing stories.

In PE this week the children have continued developing their athletic skills by learning how to throw a javelin. The children began by learning how to do a pull throw using a beanbag before using the pull technique to throw a foam javelin.

Have a wonderful weekend!  
Mrs Wood

### **Barney and Isla**

For being very kind and caring on the school trip to the zoo.

PE is on **Tuesday.**

**Forest School** on Wednesday.

Class photographs – **Friday – please ensure children are in full school uniform.**
