

Cedar Weekly Newsletter

Friday 17th June 2022

Home Learning

Please continue to read with your child at home. When you read with your child, **please remember to record the name of the book and the date in your child's reading record.**

Attendance

Attendance this week in Cedar class was 97%.

Attendance is so important to us at Dunsford Community Academy and we really value and appreciate your support with this.

Please ensure that your child attends school every day. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Cedar class every week and we know that we can do this!

Dear Parents,

We have had a wonderful week of learning in the sunshine this week. The children have spent time in our outdoor environment for Whole Class Reading, Geography, PE, Forest School and Science! During our Forest School session, the children were able to use a selection of tools to create a 'tree cookie' and decorate it with their friends. I wonder if they can tell you what tools they used?

In Whole Class Reading this week the children have been practising their retrieval and inference skills, considering what might happen next in the story and how the character is feeling. In Writing we have been stacking sentences together to retell Aladdin's journey into the cave. In Maths the children have been consolidating their understanding of shape, considering how to describe the properties of the shapes and identifying the similarities and differences between different shapes.

Across the wider curriculum, the Year 2 children have considered the role of a plant in the food chain and the Year 3 and 4 children have completed observational drawings of a flowering plant and identified its features.

I hope you have a great weekend as a family.

Miss Holt

This week our star of the week is Arlow. Arlow is our star of the week for his presentation of his Geography learning this week, using his 'journey stick' to help him to reflect on the geographical features of the school using a map. Well done Arlow!

Music Concert – Monday
PE – Tuesday and Friday
Forest School – Wednesday
Reading records in – Friday

Year 4 Multiplication Check – W/B 20th June – Day TBC

Learning Academy Partnership (South West)
'FLOURISHING FUTURES'
