

Oak Weekly Newsletter

Friday 24th June 2022

Home Learning

Reading their own books or their schoolbooks **to be recorded in reading records please.**

At least 10 minutes Times tables practice on TTRS every day.

Attendance

Attendance this week in Oak Class was 95%

Attendance is so important to us at Dunsford Community Academy, and we really value and appreciate your support with this. Every day missed is 6 hours of learning lost. We are aiming for 100% attendance in Oak class every week and we know that we can do this!

Dear Parents

What a busy week we have had in Oak class! So much learning happening in the classroom alongside so much fun and excitement! We have been creative in art; discovered Brazil's climate in geography; completed an escape room challenge in maths; enjoyed stunning music in the summer concert and met our friends from All Saints Marsh in preparation for the residential.

In guided reading the children have had the opportunity to share their books with their friends across the school. They spent Wednesday's lesson on the field in the sunshine reading and listening to each other. It was wonderful to see the children spending time together and sharing their love of books.

In science, the children have continued to explore their unit on materials by investigating the best conditions to dissolve jelly. The children worked as a whole class to plan, set up and carry out a fair test.

The children are all incredibly excited for their residential next week! Make sure you follow us on social media so I can share all the fun with you.

Have a wonderful weekend!

Mrs Wood

Barney

For being so thoughtful, helpful and always smiling. He brightens every day for all of Oak class!

PGL Residential Monday 27th – Wednesday 29th

PE is on **Friday.**

CO Workshop – Thursday 30th June
