2 Authorised Spotters are required for each swim session. It is the responsibility of parents to ensure their own children's safety and manage their behaviour at all times in and around the pool.

WEEKEND SWIMMING LESSONS

We will be offering access to Saturday morning swimming lessons for children aged 4 and above. Lessons follow the Swim England certification and will be with a trained swimming instructor from Kingfisher Swim School.

BECOME AN AUTHORISED SPOTTER

The PTFA require 2 AUTHORISED SPOTTERS to be poolside at every swim session. Sessions will only go ahead when this is the case. Spotters are on duty to make sure potential safety issues are identified and dealt with and that pool rules are adhered to. They are not a substitute for responsible parenting.

The training programme to become one of our authorised spotters requires the completion of our yearly first aid certificate, an enhanced DBS check and completion of the poolside user training.

A spotter session is restricted to 2 hour slots to ensure safety.

MEMBERSHIP

To gain out of hours access for the season the PTFA requires each adult user to complete the poolside briefing. We kindly ask for a £30 fee per child attending the school and £15 per sibling not attending Dunsford Community Academy. Payment can be made in a one off payment or standing order of 3 termly installments. Anonymous bursaries are available from the PTFA, applied for via the school office.

Users are welcome to bring extended family and friends to use the pool on an invite only basis at £3 a session
