

Wednesday 24<sup>th</sup> April 2024

Dear Parents,

As you know, from Monday 13<sup>th</sup> May to and including Thursday 16<sup>th</sup> May, the Year 6s will be taking their SATs tests. Since our return after the Easter holidays, we have been working hard on targeted preparation so we have revised key areas in English and maths to enable children to perform to the best of their ability.

Another way in which we try and support the children is to promote the collaborative, 'we're all in it together' team-spirit that means they can enjoy the week with their friends. As a result, from Monday - Thursday during SATs week, we will run a breakfast club for all Year 6 children (from 8:15am). It is not compulsory but it very popular and we hope as many children as possible are able to attend as it helps them to settle and prepare for the day ahead. In addition, we will be taking the children out for a special treat on the Friday of SATs week - more details to follow.

Please let us know if your child will attend the breakfast club using this link:

<https://forms.office.com/e/GsJj5B5zsy>

Please would you support your child by ensuring that:

- They attend school every day during the SATs week
- They are punctual for school
- They eat breakfast at home or they attend the Breakfast Club (they will need to arrive at school by 8.15am and go to the hall- the school will fund breakfast).
- They bring a piece of fruit to eat at break time
- They bring a water bottle
- They get an early night on Monday and subsequent nights
- They have a quiet weekend before the tests
- You talk to your child about doing their 'best'
