

Thursday 24th April 2025

Dear families,

We are delighted to welcome you to Dunsford Community Academy and the Learning Academy Partnership family of schools.

Whether you are joining our school Trust or continuing your child's education journey with us, we are looking forward to working with you to support your child together, ensuring that they flourish and develop a love of learning. Most importantly, we want them to be happy, feel safe and nurtured as they start their school journey in our Reception Class.

We want to work closely with parents, families and the local community to provide an exciting curriculum so that your child can be the best that they can be. As a parent, you can be assured of personal and academic excellence for your child within a caring, fun, and inspirational curriculum. We value the unique insight that parents can provide into their children's learning and acknowledge that learning begins and continues in the home environment. We look forward to working in partnership with you as your child thrives.

Our first step is to work with you on your child's transition into school. We will be in touch to collect information so we can register your child, and please let us know if you need any support with this.

We would encourage you to visit our website [Reception - Dunsford Community Academy](#) where there is a **Reception Class** tab with some ideas for support at home in the run up to starting school. The weekly newsletters on the **Parents** tab also give an insight into life at Dunsford Community Academy. You can also visit our [Facebook page](#) to get a feel for our school and share with your child the photos so that they can begin to get excited about joining our school community.

We will arrange a 1-to-1 meeting with our Early Years teaching team so that we can get to know your child and plan their transition into school together. We will also outline opportunities over the Summer for you to visit the school and attend school events such as our stay and play sessions as part of our school family. A letter will come soon with more information on the dates for these exciting events!

This is an exciting time for your child and we are so privileged that you have decided to trust us at Dunsford Community Academy with the very precious responsibility of educating your child.

Welcome to our school family.

Yours sincerely,

Mr Waters
